Greeting

The contemporary art fair **ART in PARK HOTEL TOKYO 2018 (AiPHT)** will be held in Park Hotel Tokyo located in Shiodome on the weekend of March 9 – 11, 2018 (A preview will be held on Thursday, March 8). For this third installment, AiPHT will coincide with Art fair Tokyo 2018, this cooperation will make this contemporary art specialized fair a unique and memorable one.

The total of 42 galleries will participate in AiPHT 2018: 16 galleries from Tokyo, 24 galleries from outside of Tokyo, 1 gallery from Taiwan and 1 gallery from Korea. They will use hotel rooms as gallery spaces to present their most recommended artworks, ranging from painting, sculpture, print, photograph to installation utilizing an entire room. Fair guests will have a chance to see all the popular contemporary artworks.

One of the characteristics of this fair is the participation of many galleries from outside of Tokyo. These galleries will present selected artists and artworks, which are not shown often in Tokyo, in quality presentations. Another characteristic of this fair is that it utilizes the hotel rooms, which helps the fair guests to imagine having artworks in their home. This fair will be a perfect chance to experience art in an intimate setting and discover artworks that are special to every guest.

We look forward to welcoming many guests to **ART in PARK HOTEL TOKYO 2018** and appreciate your support in covering this event through the media.
