Greetings

The contemporary art fair ART in PARK HOTEL TOKYO 2020 (AiPHT) will be held in Park Hotel Tokyo located in Shiodome on the weekend of March 19 – 21, 2020 (A preview will be held on Thursday, March 19). There will be 42 galleries participating in AiPHT 2020. A total of 38 Japanese galleries: 16 from Tokyo and 22 from outside of Tokyo, there will also be 2 galleries from Taiwan and 2 from Korea. It will be the first time participating in AiPHT for 5 of these galleries. All the participating galleries are highly professional and they will transform the hotel rooms into exhibition spaces, displaying and selling their most recommended artworks.

One of the characteristics of this fair is that many galleries from outside of Tokyo will participate. They will introduce artists and artworks, which are rarely shown in Tokyo, in the selective and high quality presentational setting. The second characteristic of this fair is the wide range of artworks we will introduce. There will be works both by young, up-coming artists and internationally renowned artists and the fair guests will get to see a variety of artworks by them, ranging from painting, sculpture, print, photograph, to spatial installation.

The third characteristic of this fair is that the fair guest will get to see artworks in the hotel rooms, which are closer to real living spaces, and they will have an easier time imagining how the works will look in their home. We assure that this fair will provide a great opportunity for all the fair guests to discover artworks special to them.

We look forward to welcoming many guests to ART in PARK HOTEL TOKYO 2020 and appreciate your support in covering this event through the media.
